24	7	14.6
25	8	15.3
26	9	16.0
26.5	10	16.6
27	11	17.0

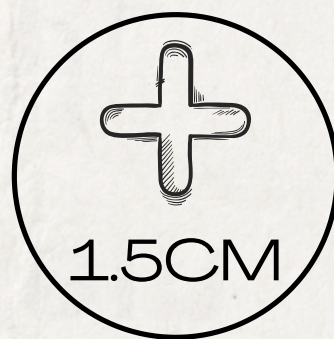

FIT TIPS

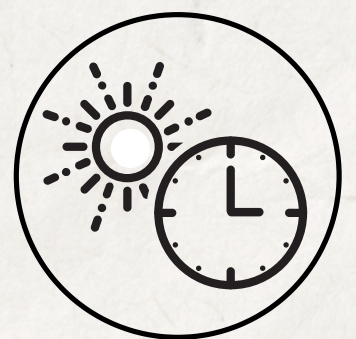

Always measure the size of your child's feet with them standing up

Choose the larger size if the feet are between sizes or if one foot is bigger than the other

Add 1cm to your child's foot length (for sizes 4-8), 1.5cm for sizes (9-11) to get their most appropriate insole length

Measure in the late afternoon when feet is the largest due to swelling
